STAT

MEMORANDUM FOR:
DD/OCA for Legislation

FROM: Deputy Director for Administration

SUBJECT: DA Comments on First Draft of Intelligence Authorization
Act for 1989

I have no problems with the first draft of the 1989 Authorization Bill. We may have suggestions or additions to later drafts once the 1988 Bill is completed and the Agency has decided on changes to the Federal Employees' Health Benefits Program. You may want to take another look at Section 402, "FERS-CIARDS Second Chance Election Authority," for typographical errors and consistent references to CIARDS and CSRDS.

MEMORANDUM FOR: Chief, Management Staff/DDA

VIA: Director of Personnel

FROM:

[Redacted]

Deputy Director of Personnel for
Compensation, Automation, and Planning

SUBJECT: First Draft - Intelligence Authorization Act for
Fiscal Year 1989

1. We have reviewed the above-captioned draft bill and offer the following comments.

2. We have no objections to the various proposals included in the bill. We understand that other proposals not presently included will remain available for future inclusion if circumstances so warrant. However, in light of our strong interest in establishing a flexible benefits program, an interest preceding the Human Resource Modernization and Compensation Task Force, we want to guarantee that our proposal relative to the Federal Employees' Health Benefits Program can be included in this FY1989 bill when a decision to proceed with the flexible benefits program is made.

MEMORANDUM FOR: (See Distribution)

FROM:

SUBJECT: First Draft - Intelligence Authorization Act for
Fiscal Year 1989

Attached for your review and comment is a copy of the first draft of the "Intelligence Authorization Act for Fiscal Year 1989."

This draft was prepared based on the "Intelligence Community Legislative Program for the Second Session of the 100th Congress", on which we previously solicited your comments, and on other items which have come to our attention in the interim.

As you probably know, as of this date, the conferees on the Fiscal Year 1988 Intelligence Authorization Act have not reached final agreement on the provisions to be included in that bill. This draft FY 1989 bill was prepared on the assumption that a number of items in the House and/or Senate versions of that legislation will be included in the final conference version. Should this not be the case, items not accepted by the conferees will be considered for inclusion on a case-by-case basis.

We believe that the following items in the attached package are of particular interest:

STAT

Any questions on the bill should be directed to this office. Because of deadlines imposed on us by OMB, I would greatly appreciate your comments by 20 November 1987.
